"A FEW WILD JACK ASSES!"

Roundtree and Ailer Simply Skin the Walkers and "The Blossom Triplet" Bundy — Maschke on Finkle's 11th, 12th and 17th Wards Playground.

The Harris meeting in Zion Hill Baptist church, Monday evening, presided over by Atty. John Roundtree, netted Mrs. Hazel M. Walker, "Blossom Triplet" Bundy and his latest satellite, Rev. D. O. Walker, the severest panning any three of our local political speakers ever received in so public a manner. The chairman of the meeting branded the speeches of Bundy and the Walkers (up stairs in the Sunday-School room of Mt. Zion Cong. church, Tuesday evening of last week) as "the expressions of a few wild jack asses." Their demand for "a new leadership," which they were to **furnish,** was ridiculed to the echo because three more erratic politically inclined individuals could hardly be found in any community north of the Mason and Dixon line. The church was packed, with an overflow crowd outside. Rev. Ailer not only thoroly denounced the Walkers and Bundy for their support of Day, but also lashed County Prosecutor Ray T. Miller, whom he said had been thirteen months giving our people representation (Asst. Co. Pros. Norman Selby Minor) promised before he was elected. Ailer also said: "I believe still that Gov. Al. Smith is all right, but away with these little ones (Democrats) in this town." Mr. Maurice Maschke, the principal speaker, said in speaking of the candidacy of George B. Harris for County Prosecutor, that he thot our people could afford to take the counsel of Attys. George, Payne and Martin, **professional associates** of Atty. George B. Harris, rather than take the advice of a man who, before he was a councilman, was a dentist (Bundy); or a preacher who is partly a Democrat (Walker). He also said:

"It will take a voice far mightier than Dr. Walker's to prevent the establishment of the recreation center in your section. You have Councilmen Finkle, Payne and George to protect your interests, and in justice I must say I do not believe Dr. Bundy would countenance any change in those plans."

Referring to Bundy's statement that he had not been intimidated by raids on the Majestic Hotel, Rev. B. G. Glover said, "If he keeps up what is going on there **now** we're going to raid that place, every week."

Rev. Ailer denounced Rev. Walker for saying that the playground location is not in a desirable section.

"Everybody knows," Ailer said, "that the biggest dives anywhere in the city are between 79th and 105th Sts. Right near Walker's church is one of the biggest dens in the city, and I can go into his church and point out members of his congregation who run these dives."

Lord! have mercy! When ministers fall **out** then there is some chance of the people getting the truth, don't you think?

SEND MRS. N. M. CLAPP TO THE STATE SENATE!

Mrs. Nettie M. Clapp, a member of the Ohio General Assembly, deserves a nomination to the State Senate on her sane and constructive record. Elected to the legislature in 1922, she soon showed she had an unusual grasp of legislative matters. Her work in the interests of the feeble-minded institution for northwest Ohio and devotion to the needs of the Cleveland State Hospital cannot be too highly commended. In the 87th General Assembly, thru her efforts a large appropriation for the Newburgh State Hospital for much-needed land was secured. Mrs. Clapp was author of the bill which separated the London prison farm from the Ohio "pen." She had enacted legislation for "constitution day" observance in our schools. As a member of the finance committee, she has been very helpful in securing larger appropriations **for the State Department at Wilberforce.** "Poor Joe Weaver," unjustly confined in the Ohio pen, eighteen months, wrote to her and she was the **first woman** to visit and **offer assistance** in his terrible trouble. **The Gazette** asks its readers to vote for justice-loving Nettie M. Clapp.

How the People Are Fooled.

Washington, D. C.—Approval of the London naval treaty by the British Parliament was described as the "first exposure of part of the bunk used to obtain ratification" by the U. S. Senate, in a statement, last week Wednesday, by Senator Hiram W. Johnson (Repub.), California, leader of the treaty opponents in the U. S. Senate.

"Only a short time ago," he said, "the State Department and every little man echoing what he was told to say, were harping upon the British and Japan's opposition to the treaty."

Dr. Bundy, urged on, no doubt, by his good friend, George H. Bender, has thrown off all pretext of Maschke allegiance, and headed an outright mutiny, with Arthur H. Day for prosecutor as his rallying cry.—The Cleveland Press, July 31.

FOR MEMBER COUNTY CENTRAL COMMITTEE

X	DEANNA DAVIS

REGULAR REPUBLICAN ORGANIZATION CANDIDATE.

TO THE VOTERS OF WARD 11.

Lawrence O. Payne, the ingrate! Lawrence O. Payne, the man whose word cannot be depended upon! Lawrence O. Payne, the man who makes a bargain until he gains his desire and then proceeds to stage a fight for something that he agreed to let another have.

As the public will remember, I was a candidate for Council in the fall of 1929 with a committee of 132 women, each pledged to raise ten dollars for my campaign, and to cover every inch of the ground in the 11th Ward from the time the campaign opened until it closed. This committee was going at high speed when lo! in the midst of our preparations, Mr. Payne agreed that it was bad policy for two candidates in the 11th Ward to run for the same office. While I do not question the election of Mr. Payne had I remained in the race, I am sure that he wished to poll every vote in the entire district for himself. And wishing to cause no friction in the rank and file of the Republican organization, I agreed to withdraw from the race on the following conditions:

That Mr. Payne would have a free, open race with no competition from me, and in return for same, I was to be the ward leader for the next two years, beginning in August, 1930. Mr. Payne agreed that I would disburse jobs and be recognized as ward leader for the two years mentioned. He cited the fact that his election under the Charter would prohibit him from having anything to do with the securing of jobs and he did not care to do anything that was against the Charter form of government.

Did he keep faith? NO! Immediately after he was elected, he began to take on a hostile attitude. I made on an average of four speeches a night for him from the time of our agreement until the campaign closed. I took over his headquarters, both in the eastern and western parts of the ward; placed women in charge who worked absolutely for nothing; gave their services ten hours a day; staged meetings and teas with no expense to Mr. Payne whatsoever. None of these women received as much as a letter of thanks from Mr. Payne for their contribution of services. I can find no reason for Mr. Payne's actions as to being a man of his word, other than the desire of one of his co-workers to have him destroy himself politically.

It was on my recommendation that Mr. Fleming made the fight for Mr. Payne's position as an assistant police prosecutor. Through Mr. Fleming's influence he received a contact that should have made him a real leader. Leaders are picked for their personalities, scholarship, popularity, moral character and religious faith, and above all, **dependability.** Has Lawrence O. Payne measured up to these qualifications for leadership, or does he interpret leadership to mean disloyality to those who have made it possible for his present political standing? Does it mean gossipping, bragging, going from one precinct worker to another "bull-dozing" them, trying to make them do what he wishes done? Does his idea of leadership mean placing opponents in the field against the organization that elected him without even consulting them to see if they would be for him for ward leader? To my mind, these are not evidences of good leadership.

For 18 years, I have been a resident of this city and there has not been one civic movement in the city that I have not been a part of. I served as a charter member of the Phillis Wheatley Association; chairman of the committee that built the new home for our aged people; served as chairman of the trustee board of my church; chairman of the committee that raised more than $2,000 to defend Leroy Bundy when he was incarcerated on a charge of helping to incite race riots in East St. Louis; chairman of the committee that raised more money than any other committee in the country for the anti-lynching bill in the Congress that was promoted by the N. A. A. C. P.

In every cause for the rights of the race, I have been a champion; for every man and woman who has been out of employment, I have tried in every way I could to secure help for them. I have especially tried to help those who have migrated here from the South, because being a southerner myself, I know the conditions they have to meet in coming to a large city. I believe that when it comes to leadership, I do not have to take my hat off to any applicant or would-be leader in the district.

I have always believed that I could meet with any group of citizens and discuss anything pertaining to the advancement of my group without any racial antagonism. I have always been able to reason out and show my side and have received considerations that few other people of my group have received. I take no neutral ground when it comes to recognition of my people. I have always fought for everything I thought we could get and was rightly due us. I will not take time to review them. I am asking the racial group to which I belong, not to allow any radical to incite any race riot or start a feeling in this city that would take thousands of years to live down, simply because some one feels that he is destined to be the heroic leader of our group. **THE FIGHT IS ON! BROUGHT ON BY MR. PAYNE AND HIS ADVISORS!** Whatever the result may be, I shall abide by it.

I am asking the sane and thoughtful people of the eleventh ward to go to the polls, Tuesday, August 12th, and vote for those candidates supported by the regular Republican Organization of Cuyahoga County. Vote for the candidates for **MEMBERS COUNTY CENTRAL COMMITTEE** who are recommended to you by The Republican Organization of Ward 11. The selection of a ward leader for ward eleven will be made at the convention by the duly elected precinct committeemen and women of ward eleven. If, at that time, the precinct committeemen and women desire a Fleming to serve in that capacity, we will feel highly honored for that vote of confidence.

Yours for the Race,
LETHIA C. FLEMING.

MASCHKE PANS WALKERS–BUNDY!

Decries Their Drawing "White Line" and Flays Demand for New Leaders (Themselves)— "Cheered to the Echo" —Other Speakers.

The 12th Ward Republican clubs' mass meeting, last week at 4737 Woodland Ave., was **sure a hummer** —packed to the doors with almost as many people on the outside trying to get in as there were inside. Of course, Mr. Maurice Maschke, head of the local Republican organization and Ohio's Republican national committeeman, was the big drawing card. It was expected that he would reply to the Walkers and Bundy political vaporings of a few evenings previous, upstairs in the Sunday School room of Mt. Zion Cong. church, and the expectations were fully realized and thoroly satisfied. The meeting was opened and presided over by Atty. Alex. Bernstein, 12th Ward leader and president of the club. He was followed by a large number of speakers, among them being Rev. L. J. Van Pelt, who said: "Don't tie the hands of your district director, Alex Bernstein. Don't tie the hands of your councilman, Herman Finkle."

Benjamin F. Sacharow, candidate for state representative, warned that "someone is trying to inject poison into your hearts" and pledged his loyalty to Bernstein and Finkle.

Rev. Anderson Hawkins said he was perfectly willing to trust Bernstein and Finkle as are about all others, the erratic Walkers and Bundy excepted.

Former Councilman E. J. Gregg said that he had "been hearing with keen regret the sentiment, 'we want to run things ourselves and to hell with anybody else.' I am frank to say that the man who puts out such stuff as that is not only ridiculous but harmful **and dangerous.** How can we progress espousing such foolish talk and sentiment?"

Rev. E. G. Glover charged that **Bundy had betrayed his trust,** declaring the organization had helped him and that now he was turning against it.

Dr. Edw. A. Bailey and Atty. Wm. R. Green followed with additional strong condemnation of the Walkers' and Bundy's political vaporings.

Atty. George B. Harris also spoke, referring pointedly to the indorsement of his opponent, Atty. A. H. Day, by the 17th Ward organization. He mentioned his own candidacy, being sponsored by the Cleveland Bar Association and the men and women ward leaders of the Republican organization, and then asked: "Who presents the candidacy of my opponent? The only sponsor I have heard mentioned publicly is Bundy."

Given a wonderful ovation by the packed hall, Mr. Maschke started his strong speech by referring to the Bundy meeting of Tuesday night.

"It appears that after I left the 17th Ward club meeting, Tuesday night," he said, "two members of your group, one a councilman and one a divine, called for a new alignment in political affairs, one, to my mind, astounding. It appears that both drew the 'white line,' but I expect that both would have been tremendously **infuriated** had any white man drawn the color line. But they were not counting on the element of loyalty to those you knew had been your friends. The eminent divine went a little further in his political doctrine. Some time ago he came out against the Ohio Republican candidate for the U. S. Senate. That evening (Tuesday) he made **complimentary** remarks about the Democratic candidate for sheriff. It **might** be wise to follow him in **spiritual** affairs, but I doubt the wisdom of following in political affairs anyone who **espouses the cause of Democrats.** I know you think too much of Alex Bernstein and Herman Finkle ever to think of discarding them on the advice of either Bundy or Walker."

Mr. Maschke chided the audience for not devoting sufficient effort to the nomination of State Representative Perry B. Jackson.

"Some people," he said, "had better quit **quarreling** about something that doesn't strictly concern their group **and help one of their own.**"

Maschke made his usual arguments in favor of the nomination of Geo. B. Harris, saying that the organization should profit by the experience of two years ago.

"Already the Democratic newspapers have come out with the same propaganda that was used two years ago," he said. "The Citizens League has said that Day should be defeated by all means. And this morning there was an editorial in the Plain Dealer which I commend you to read. That tells the story. It hits the nail squarely on the head. Those who are advocating the nomination of Mr. Day, it seems to me, are not specially concerned with what happens in November, but only what takes place in August. They are not far-sighted enough to be political advisers of anyone."

Mr. Maschke was loudly applauded all thru his speech, but particularly when he scored the rebellious Walkers and Bundy who on last week Tuesday night publically repudiated the leadership of Maschke, Bernstein and Finkle. Bundy was given a lashing thruout the entire meeting. Speaker after speaker denounced him, accused him of betraying his trust, and censored him for demanding a leadership (himself and Walker) which our people of this community do not want **and will not have.**

a candidate for the Republican nomination for state representative **and ought to be successful.** Mrs. Lang is chiefly interested in child welfare legislation. She reorganized the Child Conservation league, six years ago, and was its state president. **She is needed in the Legislature.** Mrs. Lang formerly lived in Clifton park, Lakewood, but now lives in North Royalton, where she once helped her father, Mr. Harry Dixon, one of the best friends our people have had in Cuyahoga county for a quarter of a century, win an election as mayor. Both the Citizens' league and the Citizens' committee have indorsed her. She is the wife of Elmer J. Lang, president of the Lang Body Co. **Do not fail to vote for Mrs. Lang, Tuesday! SATURDAY, AUGUST 9, 1930.

One of seven white brutes, charged with the murder of a young Afro-American college student in Atlanta, some months ago, has been found guilty of voluntary manslaughter and sentenced to from 12 to 15 years in the state penitentiary. The others await trial. This is a little good news like that quoting six or seven southern state governors as being against lynching. "Two rays of sunshine."

A FORESAKEN CLINIC HERO.

Walter B. Jackson, age 26, 2229 E. 82d St., was one of the three leading heroes of that terrible clinic disaster of many months ago. He has never recovered his health, ruined at that time, most of the time since being unable to work, and his wife seriously ill at the City hospital. If the other group of people won't do their duty toward Jackson, the matter is up to our people who should see to it that he and his wife are properly cared for until self-sustaining. They should not cease their efforts with the recent mass meeting, held in Mt. Zion Cong. church, where a strong set of resolutions were adopted and published in the daily press asking:

"The clinic sponsors and the local public in general to give suitable reward in some way commensurate with his deeds of valor in behalf of his fellow men in what was regarded as one of Cleveland's worst disasters."

Beautifully said, **but resolutions don't buy food or clothing, pay house-rent, grocery,** heat or light bills, etc. It is **primarily** up to **our** people to see that Walter Jackson and his wife do not suffer for the want of any of the foregoing, and of course our local ministers and churches should lead in this.

ZMUNT AND HARRIS.

Zmunt, Not Ely.

If the Republicans of Cuyahoga are as wise this month, as we believe them, Jerry R. Zmunt will be renominated for County Commissioner by an impressive majority. The candidate against him is Charles R. Ely, mayor of Euclid. There are several reasons why in our opinion **Ely should be defeated.** His record as chief executive of Cleveland's lively eastern suburb argues against his selection to what is probably the most important county office to be filled this year. Mayor Ely is a political machine builder and a machine-made politician. His identity with the gas franchise fiasco four years ago is remembered. His devotion to a fee policy in auto cases wherein Ely, sitting as judge, profited if he found a motorist guilty but got nothing if he found him guiltless, has not been forgotten. The gas grab was halted by a referendum petition. The fee grab was taken to the Legislature which abolished the whole fee system. When his fees were cut off, Ely turned to the Council and received a salary increase to $6,000, though he gave but part time to the office and was employed by one of the railroads. Euclid was then a village; the salary was the same as the mayor of Cleveland received until recently. If Euclid likes the kind of administration Charles R. Ely gives, that's Euclid's business. It is the business of Cuyahoga County to keep that kind of administration out of the Court House. — Cleveland Plain Dealer.

Harris, Not Day.

The Cleveland Bar Association sets a high standard of conduct for candidates whom it supports for office this year. Members of the bar —we think properly—assume that a public responsibility rests on them to see that, so far as their influence goes, unfit men shall not be selected to such important post as that of Judge of Common Pleas or county prosecutor. In this the Bar Association performs a task which no other group in the community could perform. One may differ with the organization as to some of its recommendations, but the obvious fact remains that the Bar Association is not trying to serve an ulterior purpose, but has the welfare of city and county at heart. The association supports the nomination of George B. Harris for the Republican nomination for prosecutor. We are disinterested observers of the fight in the Republican ranks between Harris and Arthur H. Day. In a broader sense, however, we are not without interest in the Harris-Day contest. We believe, with the Bar Association, that in order to be assured of an honest, vigorous enforcement of law in this county, it is of the utmost importance that each party shall nominate for the office one fully qualified to fulfill its duties. Between Harris and Day the Plain Dealer is convinced that every test of comparison favors Harris. We think the Republicans of Cuyahoga County would make a serious mistake were they to nominate Day. **Day was defeated two years ago in the face of a tremendous Republican landslide. The party cannot afford now to wager its good money on a candidate apparently doomed in advance to lose in November,** but who, if elected, would not in our opinion make a satisfactory prosecutor.—Cleveland Plain Dealer.

The foregoing is a real and perfect "low-down" on the candidacies of the four persons named—Zmunt, Ely, Harris and Day. It is none the less true because it appeared in the editorial columns of the leading local Democratic daily newspaper. No one, without bias, will question the foregoing, or dispute it, because it is "the truth, the whole truth, and nothing but the truth," regardless of who gave it or where it came from.

Personally we have known well Jerry Zmunt, Republican organization candidate for county commissioner, ever since our school-days, and have watched his course in office from the very beginning, with the result that we have nothing but endorsement, in toto, for all the editor of The Plain Dealer has said about him, and his candidacy for re-election, in the foregoing. Jerry, as a county commissioner, has done his duty, fearlessly and well, always with an eye single to the best interests of the people of this county and always in accordance with the law governing the action of our county commissioners. His friendship for our people, shown on many occasions in years gone by, started with his youth and has steadily grown until now all of us know we can depend absolutely upon Jerry Zmunt to do the right thing wherever and whenever our interests are involved. He will be nominated, Tuesday, beyond all question or doubt, but our people cannot afford to play anything but an **important** part in this most satisfactory result.

No one can question the legal or other ability of Atty. George B. Harris, candidate for the Republican nomination for county prosecutor. As indicated in the foregoing Plain Dealer editorial in reference to his and Atty. Arthur H. Day's candidacies, he is not only competent but especially fitted for the position which needs, at this time particularly, **just such a man.** County Prosecutor Ray T. Miller, the Democratic incumbent, has failed to "make good" and this is no local secret. Without a word in criticism of Atty. Arthur H. Day, whose unfortunate political experience of two years ago when he was the nominee and defeated, one cannot close his eyes to the wisdom of the local Republican organization's indorsement at this time of the candidacy of Atty. Geo. B. Harris. It recognizes the importance of the election of a Republican as county prosecutor to succeed Ray T. Miller, and it does not wish to take the chance which it would have to take in case of the nomination of Mr. Day. This is **good politics** if not wholly fair to the latter who under ordinary circumstances would be entitled to a second candidacy for the office at this time. The present political condition is such as to be not ordinary but **extraordinary!** Therefore, the insistance upon the nomination of Atty. George B. Harris whose friendship for our people began when he was an inmate of the Soldiers' and Sailors' Orphans' Home near Xenia, Green county, Ohio. The editor of **The Gazette** has known Mr. Harris for a quarter of a century and therefore is in a position to and does vouch for him.

When you go to the polls on Tuesday to vote, and all should do so, do not fail to vote for Jerry R. Zmunt for the Republican nomination for county commissioner, and George B. Harris, for the Republican nomination for county prosecutor. Do not allow any misguided individual or individuals to even try to induce you to do otherwise.

PAYNE "WAIVED" AGAIN!

Tuesday evening, July 22, a the "Club Alaham," E. 49th St. near Central Ave., this city, a meeting for Ward 11 precinct committeemen and their wives was held. In his address to those present, County Commissioner Jack Harris made the statement that he was present, last fall, and heard the agreement entered into whereby Atty. Lawrence O. Payne, then a third district candidate for the City Council, promised to support Mrs. Lethia C. Fleming for leader of Ward 11 in return for her withdrawing her candidacy for membership in the Cleveland City Council from the third district. Payne and the Flemings are both residents of ward 11. Mr. Harris' statement clearly places the burden of the proof in favor of Mrs. Fleming who claims that Councilman "Larry" Payne is "double-crossing" her and her husband, former Councilman Thomas W. Fleming, Republican leader of Ward 11, in presenting a list of candidates for precinct committeemen to oppose those of the **regular Republican organization** whose names are printed on the first page of this paper. While the editor of **The Gazette,** a resident of Ward 11 for more than a quarter of a century, has not in years taken an active part in that ward's politics, he is free to say, and indeed frankly says that an agreement of the kind, mentioned in the foregoing, **ought to be kept!** The Flemings did their part by not only withdrawing the candidacy referred to but also **by giving the very best and most loyal support possible to the Payne candidacy for the City Council,** last fall. Exceptionally active in the campaign for **all** of our candidates, busy night after night and day after day for weeks, the editor of **The Gazette** is in a position to bear **personal** testimony to the fact stated in the preceding sentence. Councilman Payne, according to the Flemings and County Commissioner Jack Harris, **is violating a pledge, an agreement,** and therefore should be **refused the support he seeks** for his candidates for precinct committeemen in Ward 11. Between now and Tuesday explain this situation to your friends and make them see clearly that their duty, from now until Tuesday evening, lies in their earnest support of the **Republican organization's candidates for committeemen in Ward 11 whose names are given on the first page of this paper.**

CHILDREN CRY FOR IT—

CHILDREN hate to take medicine as a rule, but every child loves the taste of Castoria. This pure vegetable preparation is just as good as it tastes; just as bland and just as harmless as the recipe reads.

When Baby's cry warns of colic, a few drops of Castoria has him soothed, asleep again in a jiffy. Nothing is more valuable in diarrhea. When coated tongue or bad breath tell of constipation, use its gentle aid to cleanse and regulate a child's bowels. In colds or children's diseases, you should use it to keep the system from clogging.

Castoria is sold in every drug store; the genuine always bears Chas. H. Fletcher's signature.

Atty. George B. Harris was reared in the Soldiers' Orphans Home at Xenia, O., and is one of the most companionable persons we have ever met. And the editor of **The Gazette** has known him for about a quarter of a century. Therefore, when Mrs. Hazel Mountain Walker, at Tuesday night's political meeting in the Sunday School room of Mt. Zion Cong. church, said in her speech that Mr. Harris had "high-hatted" her in the past and that she had attributed this "mistreatment" to the fact that Mr. Harris was an orphan, she was guilty of saying something not another person in that room could have been made to say.

HEAR! HEAR!!

The ROUNDER

WHAT'S DOING!

The statement being made by J. Walter Wills, Sr., and some of his friends that his candidacy for state senator has the endorsement of the local Republican organization is **NOT** true, **and they know it!** But they are simply trying **to mislead** our people. When Wills has served a couple of terms in the House of Representatives at Columbus, there **might** be some justification for his standing as a candidate for the state senate.

According to Atty. Francis Young who says he was present in the meeting, last week Tuesday night in the Sunday school room upstairs, at Mt. Zion Cong. church, Rev. D. O. Walker mentioned Atty. Wm. R. Green as being among those he termed "the cheap one-horse politicians" who were "misleading" our people of this community. Green, whom it seems was sitting almost under Walker's left hand, arose immediately to protest when the effervescent pastor of St. James A. M. E. church "beat him to it" by apologizing for the offensive remark, Francis says. The Walkers and Bundy are sure "bobblegushes," as the Germans would say.

In his speech at Monday night's meeting at Zion Hill Baptist church, the pastor, Rev. C. C. Aller, turning to Mr. Maurice Maschke, said:

"You ought not to blame **us** for Councilman L. N. Bundy's opposing you and the local Repbuican organization now. You sold him to us, last fall, and turned down Councilman E. J. Gregg in doing so. Therefore, we are not to blame, but **you** are."

What Rev. Aller failed to do was to bring out the fact that as between Bundy and Gregg, it is **"six one and a half dozen the other."** Gregg, when a member of the City Council, allied himself with the **Democrats** and, worst of all, **voted for a white Democrat** (Orlikowski) for member of the City Civil Service Commission when **we had a candidate,** in the person of the Hon. Harry E. Davis, who was finally elected to the position in spite of Gregg's vote in opposition to him. For the further information of "Brother" Aller, "The Rounder" desires to say that the editor of **The Gazette, to whom Bundy appealed,** took the latter to Mr. Maschke, early last fall, and induced him to place him (Bundy) on the Republican organization slate. Rev. H. C. Bailey was present at the second conference for Bundy we held with Mr. Maschke when he agreed to place Bundy on the slate. So now 'Brother" Aller you know who is guilty of having made such a grievous mistake. Am "sho" sorry!

No one takes seriously Rev. D. O. Walker, the "windy" political pastor of St. James A. M. E. church. Last fall, he was just as noisily proclaiming his support of the Progressive Government committee and in opposition to "The Blossom Triplets" (George, Payne and Bundy) with whom he has now linked up in an effort to play in their back-yard and get a little cheap local political publicity. The members of St. James church are doubtless very proud (?) of his latest silly exhibition at Mt. Zion church, Tuseday evening. The very idea of such men as Walker and Bundy, **both thoroly politically discredited and most unreliable,** blowing about affording our people of this community "new leadership!" It is enough to make a wooden Indian laugh. Just how far could our people trust politically, either of them? "W. W.," better known as "Billy" Williams, told "The Rounder," Wednesday morning, that Bundy had told him that Mr. Hanna had given him $1000. Wonder if that has anything to do with Bundy's "Day" activity and whether this gift is any indication of the reason why The Cleveland Daily News is pursuing a political course diametrically opposed to the Republican organization and its leader, Mr. Maurice Maschke? Does Hanna want to be the Republican "boss?" "The Rounder" has heard so and in recent weeks, too.

Current rumor has it that "The Blossom Triplets," particularly Bundy and Payne, encouraged Rev. D. O. Walker to write his letter of alleged "protest" against the location in the 12th ward of the new swimming pool and recreational center which Councilman Herman Finkle has worked so long and hard for. The letter was sent to City Manager Daniel E. Morgan, the City Council, Finkle and "The Blossom Triplets" (Councilmen George, Payne and Bundy). Walker has been in Cleveland only a few years, comparatively speaking, and like Bundy, is what the Germans call "a bobblegush." The only difference between the two is that Walker is a native West Indian. Little attention should be paid to most everything both of them say or write. For several years, Councilman Finkle has been struggling to get a playground for his bailiwick, the 12th ward. Now that he has succeeded, and it has been so placed as to make it convenient for residents of the 11th and 17th wards to use it as well as the 12th ward, "The Blossom Triplets" are trying to turn people in the third councilmanic district against Finkle, instead of getting busy in an effort to get a playground for their own wards, especially Payne and Bundy of the 11th and 17th wards, respectively. It is what some people refer to as "dog in the manger" business —their Walker "protest" and foolish comment. City Manager Morgan took the right stand when he turned down the Walker—George—Payne —Bundy "protest" and called attention to the fact that Parks Director Sam Newman selected the $800,000 swimming pool and recreational center site; that the school board had approved the location, and about everybody else, except Walker and "The Blossom Triplets." **Three cheers for Councilman Herman Finkle!!!**

FRANCIS J. COOK

A Leading Candidate for the State Senate—His Platform Excellent —Favors Resubmission of the 18th Amendment.

Among the leading candidates for state senator in the Republican primaries, Tuesday, is Francis J. Cook, well-known in Republican circles and in the legal profession. Mr. Cook is advocating legislation that will accomplish reform in our prison methods. He stands for an equal distribution of the tax burden with dual taxes eliminated. On the 18th Amendment, he feels that after a twelve-year trial, it should be resubmitted to the people to determine whether or not they prefer continuation of the present law, or revert to state control. He promises, if nominated and elected, to give thotful consideration to all legislative problems with a view of enacting sane and just laws to all, without reference to racial or religious groups. Mr. Cook has a public grade and high school education with degrees of LL. B. and LL. M. from Ohio Northern University. He received the "Qualified" endorsement of the Citizens League and has been endorsed by a large number of ward clubs and civic organizations.

ELECT SOTAK!

Atty. Frank W. Sotak was born and reared at Scovill Ave. and E. 25th St. where he lived for twenty-two years and had many of our group as friends and neighbors who knew and liked him. Mr. Sotak is a graduate of Cleveland's public schools, and John Marshall Law school, and received the degree of doctor of civil law from Lake Erie Law school. He has been engaged in the practice of the law here for four years and has been active in a number of movements beneficial to the citizens of Cuyahoga county. His parents were early settlers in Cleveland and the family has been prominent, having engaged in the banking business here for twenty-five years. He is fair-minded, capable and is endorsed by the Republican organization. Atty. Sotak is a member of the County Republican executive committee, a leader of his group and is exchanging votes with the Hon. Perry B. Jackson and others of our candidates. **The Gazette** recommends him.

NORTON IS EXPERIENCED!

Laurence Harper Norton, diplomat, soldier and legislator, was born in Cleveland in 1888, the son of David Z. Norton, who was for more than half a century a dominant industrial leader of this city. Mr. Norton was educated at University school, graduated from Yale in 1910, and received a degree at Harvard in 1912. After serving several years as private secretary to Ambassador Myron T. Herrick, he participated in numerous battles of the World war, earning the rank of captain. Since 1924 he has served as a state representative in the Ohio Assembly, **an outstanding member.** Vote for Laurence H. Norton for state senator at the Republican primaries, Aug. 12, '30.

JOE SILBERT IS WORTHY.

Atty. Joseph H. Silbert is a candidate for state representative at the Aug. 12th primary. Mr. Silbert claims his main object will be to work for more equal distribution of the gas tax, giving to large cities a greater share, and he is for a reapportionment giving the more populous counties more state representatives; also for an old age pension law. Mr. Silbert is 29 and a high school graduate; was admitted to the bar in 1923 and is a member of the law firm of Weiser and Silbert, Standard Bank bldg. He has been active in politics and is secretary of the 30th Ward Republican club of which Representative Perry B. Jackson is a director, and is arranging a mutual exchange of votes with Jackson. **Silbert is worthy of your vote!**

Binga Bank Goes "Bing"!

Chicago, Ill. — The Binga State Bank, one of our oldest and largest banks, with deposits of $1,200,000, was closed, last week Thursday, by the state auditor at the request of its directors, because of frozen assets and a shortage of cash. The bank was one of the largest state banks in the city. Jesse Binga, who started it, was its president.

MASCHKE'S SPEECH WINS THE AUDIENCE!

The 17th Ward Club Revolts Under the Misguided Leadership of Its President—It Will Be "Just Too Bad for Them" After the Primaries.

(Reprinted from last week's Gazette)

The Sunday-school room of Mt. Zion Cong. church was filled, Tuesday evening, when the 17th ward club met **because it had announced Maurice Maschke as a speaker.** The club had endorsed Atty. Arthur Day as its candidate for the Republican nomination for county prosecutor while Mr. Maschke, the local Republican leader, as every one knew was there supporting the candidacy of Atty. George B. Harris for the same nomination. Two years ago their positions as candidates were reversed. There were about 500 persons in the room. Councilman L. N. Bundy presided and the speakers were: Mrs. Hazel M. Walker, Mr. Maschke, Rev. D. O. Walker, State Senator George Bender and Atty. Ben Levin in the order named, President Bundy opening the meeting. Councilmen George and Payne **whose clubs endorsed the Harris candidacy,** in recent weeks, got to the meeting just before it closed, doubtless for obvious reasons. The less said about the speeches of the two Walkers, Bundy and Bender the better, for most of what they said **was bunk,** pure and simple. As an illustration, Rev. Walker said among other things:

"Let me tell you whippersnapper politicians **I'm** tired of letting you fool the people just to keep your little petty jobs. A new day is coming for the Negroes. We can no longer be deluded by **puppets tied to city jobs.**"

He undoubtedly was referring to **members of the race holding city jobs** which of course includes "The Blossom Triplets" (Councilmen Payne, George and Bundy), City Civil Service Commissioner Harry E. Davis and others in the employ of the city. Mr. Maschke's calm, dispassionate yet forceful talk had preceded that of Walker. He reiterated his statement that his support of Harris was not a matter of likes or dislikes, and said his only concern was in seeing a man nominated who could be elected in November.

"I want you to think seriously on this matter," said Maschke. "I want you to think about November when you can not afford to have a candidate who will be 'shot full of holes' by the Democratic newspapers."

He repeated the assertion he has frequently made that there is grave doubt that Day could beat County Prosecutor Ray T. Miller (Dem.) in the election.

"I love the grand old Republican party," he continued, "and I want to see a Republican down in the Court House. Don't be moved by your sympathies or feelings in figuring out this matter. To have anybody on the ticket who will be pilloried by the Democratic newspapers will weaken the whole Republican ticket."

Bender, in his address, referred to the rumors that Dr. Bundy's people were not with him.

"That's a lie. Look at them," he cried.

"They want to create the impression that Dr. Bundy is living in a den of thieves. My friends, the Majestic Hotel is just as clean as any big hotel in the city."

O, no it isn't a lie, Senator. Somebody **has fooled you** and fooled you **COMPLETELY!** "Bundy's people," meaning of course local Afro-Americans, **KNOW** Bundy; you **don't!** The great majority of the people at the meeting were, as we have already said, drawn to it by the announcement of Maurice Maschke as one of its speakers and not because they were or are "with" Bundy, "The Blossom Triplet." Bender does not **know** the Majestic hotel, either, or he would not think of drawing any such **notoriously ridiculous** comparison. Bender also referred to "some people who have had the audacity to suggest I should not be so friendly with Mr. Bundy."

"But I admire a man who has guts," he said.

Call it "guts" if you want to, Senator, but there are **many** other persons, **far better acquainted with Bundy than you are,** that have **another and better** name for **IT.**

The Cleveland Daily Press is quite right when it says: "Observers saw in the Bundy organization's defection little to justify the belief that Day's cause was materially aided, and pointed out that the attack on Maschke more than likely would solidify groups which have been wavering behind the Republican chieftain."

One outcome of the meeting already is the opening of The Third District George B. Harris for County Prosecutor headquarters, the finest in that section of the city for many, many years. W. W. Williams in charge, assisted by Clarence B. Shaw. Several meetings are being arranged for next week, they announce.

RE-NOMINATE ACKERMAN

For the State Senate—A Conscientious Representative With a Splendid Record—Our Friend.

State Senator Jos. N. Ackerman is seeking renomination on his excellent record for two terms. **It speaks for itself.** Mr. Ackerman works for the interests of **all,** particularly those of this, Cuyahoga county which includes of course all of our people living in this senatorial district. It was Mr. Ackerman who, as vice-chairman of the finance committee, secured an appropriation for the State Department of Wilberforce University $178-,000 larger than any appropriation ever given it. This shows he has the interests of "Wilberforce" at heart. He has sent eighteen of our young men and women of Cleveland to study there, **free of tuition and other expenses.** Mr. Ackerman has fought **fearlessly** all Ku Klux Klan legislation, including the bible bill.

"An inspection of Mr. Ackerman's excellent record, during the past two terms in office, forces one conclusion: namely, that in view of the **good work** already done by the senator, and other work now in progress, his re-election to office is a public necessity at this time."—Garfield Heights Record.

The Gazette urges our voters to be sure to remember Senator Ackerman when they go to the polls, Tuesday, Aug. 12.

WILLIAM T. SPENCE

A Strong Candidate for a Republican Nomination as State Representative — His Platform—Broadminded and Fair to All—Vote for Him.

Standing **squarely** upon this motto, "Actions speak louder than words," Wm. T. Spence of the W. T. Spence Realty Co., headquarters, 11502 St. Clair Ave., City, seeks a nomination for State Representative on the Republican ticket, at the primary election, Aug. 12, 1930. For sixteen years, Mr. Spence has been a real-estate broker in Cleveland.

Mr. William T. Spence.

During this time, he has earned an enviable reputation for **honesty** and **square-dealing,** which, together with his wide experience in business, fits him **admirably** for the position he is seeking.

If there is one thing more than another that is needed in both branches of Ohio State Assembly, it is a membership composed **largely of business men.** Mr. Spence was born in England, Nov. 6, 1875, and educated in public schools. He was a professional cricketer and coach for fourteen years in army, colleges, etc., and naturally is exceptionally fit, physically.

In his platform, he announces that he stands for the old-age pension with the stigma of charity removed; for modification of the 18th Amendment under government control, and for the stoppage of the wicked wasting of the people's money and people's lives, under the false guise of prohibition. He urges penal reform and a lowering of taxes in Cuyahoga county and the state of Ohio; believes in legalizing horse-racing and in placing it under state control, and in encouraging industries to locate in Ohio rather than to leave the state because of excessive taxation.

Broadminded and progressive, Mr. Spence **harbors no prejudices,** but believes in trying to help **all** deserving fellow-men without reference to class, race or color. Therefore, no mistake will be made by nominating him as a candidate for State Representative on the Republican ticket. As a matter of fact, a vote for Mr. Spence means a vote for **progress.** So remember him when you go to the polls, Tuesday, Aug. 12, 1930.

JACKSON SEEKS RE-NOMINATION ON HIS RECORD!

Hon. Perry B. Jackson, our member of the state legislature from this county and the only Afro-American in the Ohio Assembly, formally announces his candidacy for re-nomination, subject to the Republican primaries, Tuesday, Aug. 12. In a statement, Tuesday, to a representative of "The Old Reliable" **Gazette** Jackson said:

"Two years ago the people had to take me on faith. They elected me and I realized that a tremendous responsibility to "make good" rested upon my shoulders. I believe that I have done so. I read every bill presented for consideration. As a result I was able to block several efforts to enact and repeal legislation which would have resulted in discrimination against our people."

Among Jackson's accomplishments are:

1. Blocking the effort to repeal the statute making "inciting to riot and mob violence", criminal offenses. This statute is a protection to minority groups.
2. Blocking the attempt to require fraternal organizations to register their name and insignia which would have injured our Masons, Elks, K. of P. and Odd Fellows because they would have been **barred,** in this state, if white Masons, and others, **registered first.**
3. Striking out the words "race or color" from the new election code.
4. Fought discrimination at Ohio University, Athens, O. In addition to the foregoing Mr. Jackson introduced several bills which were enacted into law and supported all measures of interest to and for the advancement of all the people of this county and state.

We must all vote for Perry!

Mrs. J. A. Chandler, accompanied by Mrs. Inez Cyrus, sister, and brother, Donald Campbell, who were en route here to Philadelphia, motored to her home in W. Virginia, last week Wednesday, to spend several weeks.

OPPOSED PARKER!

The Closing Days of the Primary Campaign Finds Copland Strongest Contender for State Senator — Was "Runner-up," Two Years Ago.

As the primary election comes closer and closer and as a better perspective of the various candidates for the Legislature is obtained, there is one candidate for state senator who stands out in bold relief, and that is

DAVID COPLAND

Many of the manifestations of present-day interest in our people by candidates in their effort to get votes is really laughable. But one **can safely** gauge a person's future actions by how he has acted toward us in the past. If this is a criterion, **and it surely is,** at this time no candidate for state senator is more entitled to the solid support of our voters of this county than David Copland. Always a strong contender for the rights of the minority, and minority groups, he has many times in the past shown himself **a friend of our people.** This reminds us of a debate, Mr. Copland got into with Prof. Powell of Harvard University at the Cleveland City Club in the early part of April. Prof. Powell was stumping the country in behalf of Judge John J. Parker of South Carolina, giving **his** reasons why Parker was a fit nominee to the U. S. supreme bench. After his address, Copland took exception to his statements, saying among other things, and quoting from the Cleveland Plain Dealer of April 20, 1930:

"That **any** person, or judge, who refuses to abide by the fourteenth and fifteenth amendments to the U. S. constitution and who completely ignores the rights of people under these amendments, has no right to be a justice of the U. S. supreme court. I most emphatically and unqualifiedly say that any man who disregards that, **or any other part of the U. S. constitution, SHOULD NOT BE ALLOWED** to sit upon the supreme court bench."

This was the proper stand, taken on behalf of the people by Mr. Copland, and thru it he has earned our respect and confidence. Knowing also that he is a man who is honest and fearless, with the courage of his convictions, we feel that every voter of our group should see to it that David Copland obtains his or her vote for state senator at the primaries, Tuesday. By doing this, we will be serving **best** our own vital interests.

VOTE FOR JERRY ZMUNT.

No county commissioner in any county has functioned more ably than Jerry R. Zmunt, who first won the confidence and vote of the people of this county for that office in 1921. Three times, they have returned him to office and each time **he has kept faith with the people by standing firm as a rock for the things that are right.** Last week, when "whites" of Miles Heights village were attempting to annex **their** section of

Commissioner Zmunt.

the village to the city, leaving out the "black" section, Mr. Zmunt saw what the proposed annexation of a part of Miles Heights village would do to our people, got busy and secured the vote of his colleague, Walter E. Cook, to put an end to it. Mr. Zmunt made it plain that he was not for the annexation of any village, except when it was on the level and wanted to come in as a whole. The office of county commissioner requires a man who is **fair, square** and **just,** one who will stand **eternally for right.** We firmly believe that Jerry R. Zmunt is that sort of man as his record shows and proves. Therefore, **The Gazette** earnestly asks the vote of every Afro-American in Cuyahoga County for Jerry.

OHIO'S MOB VIOLENCE ACT

OR ANTI-LYNCHING LAW LEADS THE COUNTRY IN EFFECTIVE LEGISLATION

Against the Mob and Lynch-Murder—Three Years' Work of a Member of the Race—Also His Ohio Civil Rights Law.

Our mob-violence or anti-lynching bill was introduced in the Ohio legislature in 1894 and re-introduced in 1896. It took the Hon. Harry C. Smith, editor of **The Gazette,** just three years to secure its enactment into law. The Ohio Supreme Court has several times upheld the constitutionality of the law and it has been very effective. Illinois, Pennsylvania and New Jersey have followed Ohio's lead and enacted mob violence or anti-lynching laws which are copies of our Ohio law. Several other northern states and at least one border state (Kentucky) have also enacted anti-lynching laws, in recent years, like Pennsylvania and New Jersey. The Ohio law follows:

MOBS.

Section
6278. "Mob" and "lynching" defined.
6279. "Serious injury" defined.
6280. Damages in case of assault.
6281. Damages in case of lynching.
6282. Damages recoverable by legal representative of victim of lynching
6283. Person suffering death or injury by mob trying to lynch another.
6284. Limitations of action.
6285. Order to include recovery and costs in tax levy.
6286. Guardian's custody, etc., fees.
6287. County's right of action against member of mob
6288. County's right of action against another county.
6289. Non-relief from prosecution.

Section 6278. A collection of people assembled for an unlawful purpose and intending to do damage or injury to any one, or pretending to exercise correctional power over other persons by violence and without authority of law, shall be deemed a "mob" for the purpose of this chapter. An act of violence by a mob upon the body of any person shall constitute a "lynching" within the meaning of this chapter. (93 v. 161 2.)

Section 6279. The term "serious injury," for the purpose of this chapter, shall include such inquiry as permanently or temporarily disables the person receiving it from earning a livelihood by manual labor. (93 v. 161 3.)

Section 6280. A person taken from officers of justice by a mob, and assaulted with whips, clubs, missiles or in any other manner, may recover, as hereafter provided, a sum not to exceed one thousand dollars as damages from the county in which the assault is made. (93 v. 161 4.)

Section 6281. A person assaulted and lynched by a mob may recover, from the county in which such assault is made a sum not to exceed five hundred dollars; or, if the injury received therefrom is serious, a sum not exceeding one thousand dollars; or, if such injury result in permanent disability, to earn a livelihood by manual labor, a sum not to exceed five thousand dollars. (93 v. 12 5.)

Section 6282. The legal representative of a person dying from injuries received from lynching by a mob, may recover of the county in which such injury occurred, a sum not to exceed five thousand dollars damages for such unlawful killing. Such sum shall be applied to the maintenance of the family and education of the minor children of such person so lynched, if any survive him, until such children are of legal age, and then be distributed to the survivors, share and share alike, the widow receiving an amount equal to a child's share. If there be no widow or minor children surviving such decedent, such sum shall be distributed among the next of kin according to the laws of the distribution of the personality of an intestate. Such sum so recovered shall not be a part of the estate of such person so lynched, nor be subject to any of his liabilities. (93 v. 162 6.)

Section 6283. A person suffering death or injury from a mob attempting to lynch another person shall come within the provisions of this chapter. He or his legal representatives shall have a like right of action as one purposely injured or killed by such a mob. (93 v. 162 6.)

Section 6284. Action for the recoveries provided for in this chapter must be commenced, within two years from the date of such lynching, in any court having original jurisdiction of an action for damages for malicious assault. (93 v. 162 7.)

Section 6285. An order to the commissioners of a county, against which such recovery is had, to include it with the costs of action, in the next succeeding tax levy for such county, shall be a part of the judgment in every such case. (93 v. 162 8.)

Section 6286. If the decedent so lynched has minor children surviving him, the fund shall be turned over to a regularly appointed guardian. Such guardian shall administer such fund under the direction of the probate judge, allowing not more than five hundred dollars for counsel fees in the action for such recovery. (93 v. 162 9.)

Section 6287. The county, in which a lynching occurs, may recover the amount of a judgment and costs against it in favor of the legal representatives of a person killed or seriously injured by a mob from any of the persons composing such mob. A person present, with hostile intent, at such lynching shall be deemed a member of the mob and be liable to such action. (93 v. 162 10.)

Section 6288. If a mob carries a prisoner into another county, or comes from another county to commit violence on a prisoner brought from such county for safekeeping, the county in which the lynching is committed may recover the amount of the judgment and costs from the county from which the mob came, unless there was contributory negligence on the part of officials of such county in failing to protect such prisoner or dispurse such mob. (93 v. 163 11.)

Section 6289. This chapter shall not relieve a person concerned in such lynching from prosecution for homicide or assault for engaging therein. (93 v. 163 12.)

OUR OHIO CIVIL RIGHTS LAW

Upon the request of many readers of **The Gazette** we print below the text of the Hon. Harry C. Smith's Ohio Civil Rights law which the editor had enacted while a member of the 71st General Assembly, in 1894:

The General Code of Ohio:

Sec. 12940. Whoever, being the proprietor or his employee, keeper or manager of an inn, restaurant, eating house, barber-shop, public conveyance by land or water, theater or other place of public accommodation and amusement, denies to a citizen, except for reasons applicable alike to all citizens and regardless of race or color, the full enjoyment of the accommodations, advantages, facilities or privileges thereof, shall be fined not less than fifty dollars nor more than five hundred dollars, or imprisoned not less than thirty days nor more than ninety days, or both.

Sec. 12941. Whoever violates the next preceding section shall also pay not less than fifty dollars nor more than five hundreds dollars to the person aggrieved thereby to be recovered in any court of competent jurisdiction in the county where such offense was committed.

This law nas repeatedly been held constitutional and good law by the Ohio Supreme court. The trouble is our people will not use it as often as they should, but expect it to do for them what they should and must do for themselves, under it, in the courts.

GEORGE B. HARRIS FOR PROSECUTOR

The Cleveland Bar Association by recent vote of its members has endorsed for the office of Prosecuting Attorney of Cuyahoga County:

GEORGE B. HARRIS

The duties of the Prosecuting Attorney cover not only the entire field of the administration of the criminal laws within the county but embrace also all matters of a civil nature in which the county and its officials are involved. These duties are often intricate and complex and require legal ability of a high order. Large sums of taxpayer money are involved and the office should be as well organized as that of any large law firm in the city.

The Cleveland Bar Association again asked George B. Harris, Republican, one of the **outstanding** lawyers of Cleveland to be a candidate. He has opposition for the nomination at the Primary, August 12th.

The referendum vote of the members of The Cleveland Bar Association was conducted and Mr. Harris was endorsed for the office of Prosecuting Attorney. This program was carried on for the purpose of endeavoring to make certain that the Republican party ticket and the party election ballot would bear the name of a candidate for Prosecuting Attorney who would be a lawyer of marked ability and integrity. Mr. Harris is such a man.

Geo. Gurley, one of our oldest Pullman porters, died, Sunday, and was buried, Wednesday. He was well-known. Many friends and acquaintances mourn his demise.
